

THE ALLPOWERFUL DIVINITY REVEALS HERSELF TO THE INFINITELY PROFOUND HUMAN SOUL BY THREE ETERNAL HOLY ENTITIES THAT WILL NEVER BE COMPLETELY DEFINED BY ANYONE OTHER THAN GOD ALLMIGHTY HIMSELF. THESE ARE LOVE, GOOD, AND MUSIC. LOVE REALLY IS THE UNIVERSAL, ALLPOWERFUL, INFINITE, ETERNAL, PERFECTLY MORAL, ETHICAL-CREATOR, HYPER-CONSCIOUS, HOLY DIVINITY; FOR LIFE WITHOUT KNOWLEDGE IS VAIN, KNOWLEDGE WITHOUT CREATION IS A MAJOR WASTE OF TIME, CREATION WITHOUT WISDOM IS IDOLATRY, WISDOM WITHOUT FAITH IS MADNESS, AND FAITH WITHOUT LOVE IS SPIRITUAL DEATH. ALL GREAT PHILOSOPHERS IN KNOWN HUMAN HISTORY HAVE PRAISED LOVE AS BEING THE ULTIMATE REALITY OF THE INFINITELY SOUND HUMAN SPIRIT, [e.g. “GOD is LOVE; and they that dwelleth in LOVE dwelleth in GOD, and GOD dwelleth in them for all eternity”. (N.T. 1 JOHN 4:16); “Love is like a friendship caught on fire: in the beginning a flame, very pretty, often hot and fierce, but still only light and flickering. As love grows older, our hearts mature and our love becomes as coals, deep-burning and unquenchable”. (Bruce Lee); “A baby is born with a need to be loved and never outgrows it”. (Frank Clark); “Where there is love there is life”. (Gandhi); “There is only one happiness in life: to love and be loved”. (George Sands); “When you love you should not say, ‘God is in my heart’, but rather, ‘I am in the heart of God’; And think not you can direct the course of love, for love, if it finds you worthy, directs your course”. (KAHLIL GIBRAN); “Perhaps the feelings that we experience when we are in love represent a normal state. Being in love shows a person who he or she should be”. (Anton Chekhov); “Everything that I understand, I understand only because I love”. (Lev Tolstoy); “Being deeply loved by someone gives you strength, while loving someone deeply gives you courage”. (Lao Tze); “Love is composed of a single spirit inhabiting two bodies”. (Aristotle); “Though I could speak with the tongues of men and angels and yet had no LOVE I were even as a sounding brass or as a tinkling cymbal. And though I could prophesy and understood all secretes and all knowledge, yea, if I had all faith so that I could move mountains out of their places and yet had no LOVE I were nothing. And though I bestowed all my goods to feed the poor, and though I gave my body even that I burned and yet had no LOVE it profiteth me nothing. LOVE suffereth long and is courteous. LOVE envieth not. LOVE doth not frowardly, swelleth not, dealeth not dishonestly, seeketh not her own, is not provoked to anger, thinketh not evil, rejoyseth not in iniquity, but rejoyseth in the truth, suffereth all things, believeth all things, hopeth all things and endureth in all things. Though that prophesying failed and all tongues shall cease, and knowledge vanyshed away, yet LOVE falleth never away. For our knowledge is unperfect and our prophesying is unperfect. But when that which is perfect shall come then that which is unperfect shall be done away. When I was a child I spake as a child, I understood as a child I imagined as a child. But as soon as I was a man I put away childesness. Now we se in a glass, even in a dark speaking, but then shall we see face to face. Now I know unperfectly, but then shall I know even as I am known. Now abideth faith, hope and LOVE even these three, but the chief of these is LOVE”. (N.T. 1 CORINTHIANS 13:1-13); (FOR MORE QUOTES ON LOVE PLEASE READ:[http://www.brainyquote.com/quotes/topics/topic\\_love.html](http://www.brainyquote.com/quotes/topics/topic_love.html))]. GOOD IS INFINITELY MORE POWERFUL THAN EVIL IS – FOR EVIL REPRESENTS NOTHING MORE AND NOTHING LESS THAN THE COMPLETE ABSENCE OF GOOD, JUST AS DARKNESS IS ACTUALLY NOTHING ELSE THAN THE ABSENCE OF THE BIO-PHYSICAL LIFE SUSTAINING ELECTROMAGNETIC RADIATION CALLED LIGHT, [e.g. “Developing inner values is much like physical exercise. The more we train our abilities, the stronger they become. The difference is that, unlike the body, when it comes to training the mind, there is no limit to how far we can go”. (DALAI LAMA); “The first beneficiary of

compassion is always oneself. When compassion, or warmheartedness, arises in us and our focus shifts away from our own narrow self-interest, it is as if we open an inner door. It reduces fear, boosts confidence and brings us inner strength. By reducing distrust, it opens us to others and brings us a sense of connection to others, and sense of purpose and meaning in life". (DALAI LAMA); "My hope and wish is that one day, formal education will pay attention to what I call "education of the heart." Just as we take for granted the need to acquire proficiency in the basic academic subjects, I am hopeful that a time will come when we can take it for granted that children will learn, as part of the curriculum, the indispensability of inner values: love, compassion, justice, and forgiveness". (DALAI LAMA); "Even more important than the warmth and affection we receive, is the warmth and affection we give. It is by giving warmth and affection, by having a genuine sense of concern for others, in other words through compassion, that we gain the conditions for genuine happiness. More important than being loved, therefore, is to love". (DALAI LAMA); "The basic foundation of humanity is compassion and love. This is why, if even a few individuals simply try to create mental peace and happiness within themselves and act responsibly and kind-heartedly towards others, they will have a positive influence in their community". (DALAI LAMA); "More fundamental than religion is our basic human spirituality. We have a basic human disposition towards love, kindness and affection, irrespective of whether we have a religious framework or not. When we nurture this most basic human resource – when we set about cultivating those basic inner values which we all appreciate in others, then we start to live spiritually". (DALAI LAMA); "Great compassion is the root of altruistic action. It really is a source of wonder. There is no greater source of help and happiness. The capacity to devote yourself to the welfare of others yields otherwise unobtainable power and potential for good. Generate great compassion and you become a friend of the world and a companion of the warm-hearted". (DALAI LAMA); "In an increasingly interdependent world our own welfare and happiness depend on many other people. Other human beings have a right to peace and happiness that is equal to our own; therefore we have a responsibility to help those in need. Many of our world's problems and conflicts arise because we have lost sight of the basic humanity that binds us all together as a human family". (DALAI LAMA); "WE MUST LEARN TO LIVE TOGETHER AS BROTHERS AND SISTERS, OR DIE TOGETHER AS FOOLS". (MARTIN LUTHER KING jr.); "The first principle of value that we need to rediscover is this: that all reality hinges on moral foundations. In other words, that this is a moral universe, and that there are moral laws of the universe just as abiding as the physical laws". (MARTIN LUTHER KING jr.); "A MAN WHO STANDS FOR NOTHING WILL FALL FOR EVERYTHING". (MALCOM X); "IF SLAVERY IS NOT WRONG, THEN NOTHING IS WRONG". (U.S.A. president ABRAHAM LINCOLN); "Always do what is right. It will gratify half of mankind and astound the other". (MARK TWAIN); "Compassion is the basis of morality". (ARTHUR SCHOPENHAUER); "How can one be well...when one suffers morally"? (LEO TOLSTOY); "Must someone, some unseen thing, declare what is right for it to be right? I believe that my own morality - which answers only to my heart - is more sure and true than the morality of those who do right only because they fear retribution". (BRANDON SANDERSON); "The best morals kids get from any book is just the capacity to empathize with other people, to care about the characters and their feelings. So you don't have to write a preachy book to do that. You just have to make it a fun book with characters they care about, and they will become better people as a result". (LOUIS SACHAR); "More than a decade ago, a Supreme Court decision literally wiped off the books of fifty states statutes protecting the rights of unborn children. Abortion on demand now takes the lives of up to 1.5 million unborn children a year. Human life legislation ending this tragedy will some day pass the Congress, and you and I must never rest until it does. Unless and until it can be proven that the unborn child is not a

living entity, then its right to life, liberty, and the pursuit of happiness must be protected". (U.S.A. president RONALD REAGAN); "How wonderful it would be if people did all they could for one another without seeking anything in return! One should never remember a kindness done, and never forget a kindness received". (KENTETSU TAKAMORI); "The end must justify the means". (MATTHEW PRIOR); "There is no justice in the laws of nature, no term for fairness in the equations of motion. The Universe is neither evil, nor good, it simply does not care. The stars don't care, or the Sun, or the sky. But they don't have to! WE care! There IS light in the world, and it is US"! (ELIEZER YUDKOWSKI); "Understanding comes hard to persons of high rank who are accustomed to phony lifestyles that involve no daily work". (KENZABURO OE); "We are much too tolerant of the moral aberration of statesmen and bureaucrats". (KENZABURO OE); "Immorality sanctified by tradition is still immorality". (BERNARD ROLLIN); (FOR MORE QUOTES ON LIFE, ETHICS AND MORALS PLEASE READ:<http://www.brainyquote.com/>); AND MUSIC, FAR FROM BEING JUST ANOTHER ABSTRACT ART FORM, AND ALSO A MATHEMATICAL SCIENCE, REALLY IS THE LANGUAGE OF THE DIVINITY AND THE HOLY SPIRIT OF THE DIVINITY, MUSIC IS THE DIVINITY! THEREFORE, SOUND REPRESENTS MERELY THE PHYSICAL VEHICLE OF MUSIC, WITH SCORES, STAVES, MUSICAL NOTES, AND MUSICAL CLEFS BEING ONLY A COMPLEX SYSTEM OF MAN-MADE SHAPES AND SYMBOLS FUNCTIONING IN A UNITARY CONCEPT THAT IS TRANSLATED INTO MELODIES BY MAN-MADE MUSICAL INSTRUMENTS, THUS PROVIDING A SOLID GROUND FOR THE HOLY SPIRIT OF THE DIVINITY TO BE MANIFESTED THROUGH THE BRAINS, MINDS, SOULS AND SPIRITS OF HUMAN BEINGS, [e.g. "LIFE WITHOUT MUSIC WOULD HAVE BEEN AN ERROR". (FRIEDERICH NIETZSCHE); "If one should desire to know whether a kingdom is well governed, if its morals are good or bad, the quality of its music will furnish the answer". (CONFUCIUS); "MUSIC IS A MORAL LAW. IT GIVES SOUL TO THE UNIVERSE, WINGS TO THE MIND, FLIGHT TO THE IMAGINATION, AND CHARM AND HAPPINESS TO LIFE AND TO EVERYTHING". (PLATON); (FOR MORE QUOTES ON MUSIC PLEASE READ:[http://www.brainyquote.com/quotes/topics/topic\\_music.html](http://www.brainyquote.com/quotes/topics/topic_music.html))]. FURTHERMORE, LOVE AND HATE ARE ONE AND THE VERY SAME; FOR WHEN YOU LOVE GOOD, YOU HATE EVIL; AND WHEN YOU LOVE EVIL, YOU HATE GOOD!
